ABOUT THE SCOTT LONDON/CHRIS RILEY MEMORIAL SCHOLARSHIP FUND, INC.

Scott London and Chris Riley were two enthusiastic young students with an appetite for learning. Following the boys' deaths from cancer, their families joined to create the Scott London/Chris Riley Memorial Scholarship Fund to honor their love of education. The fund grants scholarships to cancer survivors, who were treated at Hasbro Children's Hospital, and their immediate families.

Since its inception in 1989, the scholarship fund has helped over two hundred students pursue college education. Scholarship recipients have attended colleges throughout Rhode Island and the US, including Brown University, URI, New England Tech, Providence College, Rhode Island College, Siena College, the University of Miami, and the Berklee College of Music.

One London/Riley scholar, a survivor of osteogenic sarcoma, graduated from Harvard Medical School. He is now a Board Certified gastroenterologist in private practice.

Two other winners graduated from Law school; Michael from Roger Williams Law and Lenore from Western New England Law. Another scholarship recipient was inspired to go back to school after her child's battle with cancer. She is now a nurse at Hasbro Children's Hospital.

Please help us support the educational pursuits of more cancer survivors and their families. Participation in our twenty fifth Annual London/Riley Memorial Golf Tournament and honor Scott London and Chris Riley. Make this tournament one to remember!
